Partner With Us to Advance Community Health

Charles Drew Health Center, Inc. welcomes partnerships with organizations and professionals who share our commitment to improving community health. Through our Request for Proposals (RFP) process, we invite qualified vendors, consultants, and service providers to collaborate with us in delivering innovative, high-quality programs and services that meet the needs of the communities we serve.

How to Submit

To respond to an open RFP, vendors must download the RFP document and follow all submission requirements outlined within.

Proposals must include all required components, including:

- Completed **Cover Sheet**
- Signed **Proposal Certification**
- Pricing and service details as outlined in the RFP
- Any additional documentation required in **Section 5.8 – Submission Instructions**

All proposals must be submitted in **PDF format** to:

busoffice@charlesdrew.com

Vendors are responsible for ensuring that all required documents are included at the time of submission. Incomplete or late submissions may not be considered.

For questions regarding an RFP, vendors must submit inquiries by the stated deadline.

Responses will be issued via formal addendum and shared with all prospective bidders.
